About Us

[Radhakrishna Skill Development Foundation [Pursuant to sub-section (2) of section 7 and sub-section (1) of Section 8 of the companies Act, 2013 (18 of 2013) and rule 18 of the companies (incorporation) Rules 2014.] is a non-profit organization rooted in the belief that every life holds the potential to bloom — just like the mythical wish-fulfilling tree we’re named after. Our mission is to create opportunities where they’re needed most, enabling underserved communities to thrive through education, healthcare, women empowerment, environmental sustainability, and more.

Since our inception, we’ve worked tirelessly to bridge the gap between privilege and need. From building classrooms and health camps in remote villages, to organizing awareness drives and skill-building workshops — our initiatives are driven by compassion and sustained by community.

At Radhakrishna Development, we believe real change begins with small, consistent efforts — rooted in empathy and watered by hope. With your support, we continue to reach further, grow deeper, and plant the seeds of a better tomorrow.

Work- The Foundation works with the coordination of social cooperation and government schemes to provide fodder, water, treatment, shelter seals etc. to destitute cows. The Foundation works with the coordination of social cooperation and government schemes for the educational and social development of helpless and economically backward boys and girls of the society.

The trust helps in the marriage of poor girls and arranges marriages in coordination with social cooperation and government schemes. The trust runs a Muskan initiative in coordination with social cooperation and government schemes in which capable people donate the things which they do not use and the poor and needy people take them. This work is done.

The Foundation renovates dilapidated charitable seals in coordination with social cooperation and government schemes.

Join us in growing the roots of change — because when we nurture one life, we enrich the whole world.

Sr/Madam,
Sub : Allotment of Tax Deduction Account Number (TAN) as per Income Tax Act,1961

Kindly refer to your application (Form 49B) dated Oct 21, 2022 for the allotment of Tax Deduction Account Number. In this connection, the following TAN has been issued to you/your organisation:

AGR14702C

Please quote the same in all TDS cheques, TDS Certificates, TDS returns, Tax Collection at Source (TCS) returns as well as other documents pertaining to such transactions.

Quoting of TAN on all TDS returns and challans for payment of TDS is necessary to ensure credit of TDS paid by you and faster processing of TDS returns.

The above TAN should also be used as Tax Collections at Source Account Number under section 206CA.

Kindly note that it is mandatory to quote TAN while furnishing TDS returns, including e-TDS returns. e-TDS returns will not be accepted if TAN is not quoted.

This supersedes all the Tax Deduction / Collection Account Number, allotted to you earlier.

Income Tax Department

Caution : Income Tax Department does not send e-mails regarding refunds and does not seek any taxpayer information like username, password, details of ATM, bank accounts, credit cards, etc. Taxpayers are advised not to part with such information on the basis of emails.

Welcome to RADHAKRISHNA SKILL DEVELOPMENT FOUNDATION

He who had never denied himself for the sake of giving

Education Facilities

Encompass the physical spaces and resources used for teaching and learning, including buildings, equipment, and infrastructure. They range from preschools and schools to universities and specialized training centers, providing diverse learning environments and supporting various educational activities.

Skill Programs

Structured learning initiatives designed to equip individuals with the knowledge, abilities, and competencies required for specific jobs or industries. These programs can range from short-term certifications to long-term vocational training, and

they often incorporate practical experience and industry-recognized standards. They play a crucial role in enhancing employability, promoting economic growth, and fostering a skilled workforce. Skill Program Under UPSDM, UPSDM-RPL, PMKVY, PMKVY-RPL, DDUGKY Etc.

Career Services wikipedia

Career counseling involves guidance to help individuals make vocational and educational decisions. Counselors combine expert advice with counseling techniques to support decision-making and address career-related challenges.

Provide Govenment Schemes

Several prominent government schemes in India focus on various aspects like financial inclusion, social security, healthcare, and women's empowerment. Some key examples include Pradhan Mantri Jan Dhan Yojana (PMJDY) for financial inclusion, Ayushman Bharat for healthcare, and Beti Bachao Beti Padhao for women's empowerment. Additionally, schemes like Pradhan Mantri Ujjwala Yojana (PMUY) address energy access, while Pradhan Mantri Kisan Samman Nidhi (PM-KISAN) supports farmers.

Provide non Govenment Schemes

Non-government schemes, often run by NGOs, provide support in various areas like welfare for marginalized groups, disaster relief, and community development. These schemes can focus on education, healthcare, skill development, and other crucial areas. NGOs play a vital role in implementing these schemes, often partnering with government bodies.

Volunteer for On-Ground Projects.

To find on-ground volunteer opportunities, you can explore various avenues such as local NGOs, community groups, or online platforms that connect volunteers with organizations in need. Consider your interests and skills to identify roles that align with your passion, like environmental conservation, education, or community outreach.

Sponsor a Child's Education

Providing financial or other support to help a child access and complete their education. This can include covering school fees, uniforms, books, and other educational materials, as well as providing support for healthcare and nutrition. Organizations like ActionAid India, CRY, SOS Children's Villages India, and Hope Radhakrishna Skill Foundation offer child sponsorship programs.

Provide Essential Healthcare

Compasses the fundamental medical services required to address basic health needs and promote well-being.

It emphasizes universal access, affordability, and community involvement, with a focus on critical treatments, preventative care, and emergency services.

Support Women Empowerment

Creating opportunities and fostering an environment where women can make their own choices, control their resources, and participate fully in society. This includes promoting economic independence, equal access to education and healthcare, and challenging gender stereotypes and biases.

Disaster Relief & Emergency Aid

Encompass a range of immediate actions taken to assist individuals and communities affected by natural disasters or other crises.

These efforts focus on providing essential resources like food, water, shelter, and medical care, as well as coordinating search and rescue operations and establishing communication networks.

Environmental Conservation

Practice of protecting, preserving, and managing natural environments and resources for the benefit of both present and future generations. It involves a wide range of actions, from individual lifestyle choices to large-scale government policies, all aimed at mitigating human impact on the environment and ensuring a sustainable relationship with nature.

Mental Health Awareness

Mental health encompasses emotional, psychological, and social well-being, influencing cognition, perception, and behavior.[1] Mental health plays a crucial role in an individual's daily life when managing stress, engaging with others, and contributing to life overall.

Sponsor a Child's Education Nourishment for Every Childn

A call to action to support children's education and well-being through sponsorship programs. Organizations like SOS Children's Villages of India, CRY, and World Vision India offer various sponsorship options, allowing individuals to contribute to a child's education, healthcare, and overall development.

Our Causes

At Radhakrishna Foundation, we believe in action. Our causes are rooted in compassion, education, sustainability, and empowerment. Join us in making a lasting difference.

Blood Donation: Give the Gift of Life

Selfless act that saves lives by providing a vital resource for medical treatments and emergencies. One donation can potentially save up to three lives, as blood is separated into components like red blood cells, plasma, and platelets, each serving different needs. By donating blood, individuals contribute to the health and well-being of their communities, ensuring that blood is available when and where it's needed.

Support Child Education

Crucial for their development and future, and there are many ways to get involved. Individuals can donate to organizations like Asha for Education or Child Help Foundation, sponsor a child's education, or volunteer time to tutor or mentor children. Businesses can also contribute through corporate social responsibility initiatives, while schools can partner with NGOs to enhance learning environments.

Tree Plantation Drives

These drives are organized by various entities like non-profit organizations, companies, and educational institutions, often involving community participation and educational components. They contribute to a healthier environment by increasing oxygen supply, reducing pollution, and promoting biodiversity.

Empowering Women Through Skill Development

Skill development is crucial for empowering women, as it enhances their economic independence, social standing, and overall well-being. By providing women with the necessary skills and knowledge, they can break free from traditional gender roles, access better employment opportunities, and make informed decisions about their lives.

Our Activity

At Radhakrishna Foundation, we believe in action-driven change. Our activities are focused on creating impact at the grassroots level — from education to sustainability, from skill-building to community support.

Tree Plantation Drives

Environmental initiatives focused on planting trees to enhance greenery, combat climate change, and improve the environment. These drives are organized by various entities like non-profit organizations, companies, and educational institutions, often involving community participation and educational components. They contribute to a healthier environment by increasing oxygen supply, reducing pollution, and promoting biodiversity.

Clean Water Campaigns

Organized efforts aimed at increasing access to safe, clean drinking water and promoting water conservation, sanitation, and hygiene (WASH). These campaigns are often run by governments, NGOs, or grassroots organizations, and they play a critical role in public health, environmental sustainability, and social equity.

Youth Engagement Activities

Aim to involve young people in meaningful ways within their communities, fostering participation in decision - making, skill development, and community initiatives. These activities can range from volunteering and civic engagement to creative arts and skills-based workshops, all designed to empower young people and create positive change.

Wildlife Protection Awareness

Focuses on educating the public about the importance of conserving and protecting wild animals and their habitats. This involves raising awareness about the threats faced by wildlife, such as habitat loss, poaching, and climate change, and promoting actions to mitigate these threats. According to Vedantu, World Wildlife Conservation Day, celebrated on December 4th, is one example of an initiative aimed at increasing awareness and promoting action for wildlife protection.

Eco-Education Workshops

Focus on raising environmental awareness and promoting sustainable practices through interactive learning experiences. These workshops often involve hands-on activities, educational sessions, and discussions to empower individuals to become environmentally conscious and take action for a greener planet.

Clean Village Programs

Aim to improve the overall cleanliness and hygiene of rural areas through various initiatives. These programs often focus on waste management, sanitation, and promoting a culture of cleanliness among residents. Swachh Bharat Abhiyan – Gramin (India) Launched by the Indian government to eliminate open defecation and improve solid and liquid waste management in rural areas.

Farmer Support & Organic Farming

Practices are gaining traction globally, driven by both environmental and health concerns. In India, various government schemes and initiatives are actively supporting farmers in transitioning to organic farming, offering financial aid, training, and market linkages. These efforts aim to promote sustainable agriculture, reduce reliance on synthetic inputs, and enhance soil health and biodiversity.

Health & Hygiene Camps

Organized events that offer medical services, health education, and screenings to specific communities or areas. These camps are crucial for early disease detection, promoting preventive healthcare, and raising awareness about hygiene and sanitation practices.
